Belated Notice of Appeal Case
Docket no: 20-ALT-15-0027-AP

Now Comes the appellate Pervis White petition
this Honorable Supreme Court in the interest of
Justice and due process of law.
petitioner sought this belated appeal

pursuant to appellate Court rule, Rule 203 (C) and in compliance with 1-23-380; base on the Court order ruling decision outlined in Case No: 20-ALJ-15-0027-AP

Appellate further submit in the interest of Justice see attach exhibit (A) where the appellate did file a timely Notice and appeal to the lower Court as require by SCAAC, Rule 203 (C); for some odd reason this Court refuse to file my notice intent to appeal; also based on the fact that this Supreme fail to respond to my first notice. petitioners pray that this Honorable Court review the following appeal issue:

Related issue on appeal

Did the (ALC) Committee and error of Statutory provision of law requirement of 24-21-10 (A), (1) by failing in its routine denial not informing the appellate; for his next parole hearing what

RISK factor feel he must need to modify his behavior
in order to be granted parole at his next parole
hearing as required under the provision of 24-21-10
