- v -

State of South Carolina

Motion to Reconsider or Rehearing

Respondent

Now moves the petitioner who throws himself at the Courts and prays to have his case reheard or reconsidered -

The petitioner filed multiple responses in accordance to Rule 243(c) SCACR. The petitioner asserts that the institutional mailroom has been out of commission and this hindered the petitioner's efforts. Although the petitioner complies to Court rules, the mailroom lost/delayed what the Court desired, but this hardship hindered my efforts. The Warden Mr Nelson Dorm Lt Mr Shuler and dorm Sgt Mr Martin can all verify. I have been complaining to them as well as the automated kiosk system. My correspondence didn't make it and I didn't even receive my debit form as my proof of service. The post-dir director Ms Brunson and her help Ms Megget are currently in the mailroom.

During this time Ms Brunson broke her ankle and Ms Meggett also works the business office so all her attention was redirected from the mailroom to other spots. During this span is the same time my injury occurred. I pray and throw myself at the mercy of the Courts and hope I get a fair opportunity to be heard without interference from prison officials. 1
