RE: Appellate Cause No. 2021-00307

Dear S.C. Court of Appeals:

I am in receipt of your paper dated August 26, 2021, and its attached paper entitled 'ORDER' dated August 09, 2021, which I received on September 2, 2021. I am not an attorney and I am not trained in the complex science of law. By consequence of incarceration through **misconviction** and the illegal taking of my property, I cannot afford an attorney. An attorney is not available to me through Legal Services who forbid proving representation to convicts. I have attempted to procure an attorney but my efforts have failed because they all **require** monetary compensation which I do not have. I am therefrom forced to be **pro-se**. The technical rules of court are beyond my powers of comprehension and I do not understand **your paper**. I require help from people in the prison law library, however, the prison law library remains largely **and predominantly** closed due to circumstances of Covid-19 and other security reasons. I cannot have your paper explained to me nor can I provide you with required papers until I can get help in the law library. I request extra time thirty days, to file **any papers** with the court due to circumstances beyond my control and any other relief the Court may provide.

I have served copy of this paper upon all parties to this action. I declare under penalty of perjury the foregoing is true and correct.
