Subject: Petition for Certiorari in Appellate Case 2017-002392

Attached please find a Petition for Certiorari to the Court of Appeals in this case, with proof of service.

As I read the Supreme Court's administrative order of May 29, 2020, the requirement of filing two copies of the appendix is presently suspended. I have assembled the appendix, including an additional volume comprised of the materials submitted to the Court of Appeals by way of the briefs, the orders and the petition to rehear, but I have not included them here due to that order. I am happy to do so if I read the order wrong or am not current as to the court's present desires for electronic filing.

The \$250 fee for the petition required by SCACR 242 will be mailed within five days.
