Hi Ms. Grant,

The estimated deposit for your request will be \$72.00 that we would need to receive prior to the court reporter to get started on it. We accept Visa, Master Card, Amex, Cashier's Check or Monday Order. We do not accept personal checks for deposits. We would not know the final cost until the transcript is completed. Let me know if you would like to move forward?

Thank you,

Hi Ms. Grant,

I have forwarded your request to the court reporter and as soon as I hear back, we will let you know the amount of the estimated deposit that we will need to receive first in order for the court reporter to get started. Again, this is an estimation as we would not know the final cost until the transcript is completed.

Thank you,

Cyreeta Crowell
