①

Dear Mr. Harbin,

I would first like to say thank you for filling my Appeal.

I didn't know you had even filed it. I never received your first letter from back in July that you stated in this letter that I received on September the 3rd. I'm not sure why. I do know that Kirkland is Quarantining all incoming mail for at least 2 weeks before passing it out. So they have a massive backlog of letters. And your first one may have very well got lost in this. Others including myself have been sent letters from family that we still have not received. My mom sent a letter over a month and a half ago that I still have not received. This letter that I just received from you I did not get until September the 3rd. I also see that I missed the deadline on August the 25th. This is hugely dissapointing. This was not my fault and was outside of my control. The letter that you sent is timestamped by SCDC. It shows that it did not even get to Kirkland until August the 25th. And then they forwarded it to Lieber. Which took another week to get too me. Luck has it I was shipped out from Kirkland on August the 26th to Lieber for my last 2 weeks of Quarantine before I am shipped to the prison yard I will be staying at. By the time you get this letter I may no longer be at Lieber I am assuming. I could be at my main prison yard. Once again, if I would have received the first letter, or this second one on time I would have filled out the Affidavit of Indigency form and mailed it in. I humbly ask that you please re-file my Appeal for me. I have already filled out the Affidavit of Indigency form that I received on September the 3rd. I have it ready to go once you re-file our Appeal so we don't have this problem again. Once you have re-filed it please send me a letter to my new address that I am at so I know to go ahead and mail in the Indigency form which I have completed. I am not sure where I will be going after I leave Lieber. You may have to look it up on SCDC online. I am also sending you the envelope that you mailed out to me. The one that I did not receive until September the 3rd. To show you that what I am stating is true in this letter.

As you can see it is timestamped by the mailrooms at SC DC.  
There was no way I could have filled it out in-enough time.  
-was already past the deadline once I had received your letter.  
Thank you Sir for your time and help on this matter.  
I look forward to hearing back from you.

Thank's again.

Sincerely,  
Dustin Ready
