Re: Larius Woodson v. DLI Properties (Tate)
Appellate Case No. 2011-198286

Dear Mr. Foster:

As you know, the brief of petitioners (along with the additional copies of the Appendix) was originally due to be filed in this matter on November 2, 2012. This due date has been extended several times.

Since your e-mail of January 7, 2013, these extensions have been granted based on your medical condition. Our records indicate that the last extension to serve and file the brief of petitioners ended on April 5, 2013.

In light of your earlier medical condition, I wanted to give you the opportunity to seek another extension if your medical condition still does not allow you to prepare the brief. Therefore, if any additional extension is needed, I ask that you please serve and file a motion for an extension within ten (10) days of the date of this letter. If you do so and it is based on your medical condition, I would ask that you please update the Court on the your medical status and advise the Court on when

you anticipate that you will be able to file the brief of petitioners in this matter.

Very truly yours,

A handwritten signature in black ink, consisting of a large, stylized 'O' followed by a series of loops and a long horizontal line extending to the right.

CLERK
