Re: *Jimmy Helms v. Debbie Willing*  
Circuit Court Case No. 2015-CP-40-07268  
Appellate Case No. 2021-000898

Dear Ms. Kitchings:

I am writing to advise you that I received the transcript of the trial, which was efficiently delivered to me on August 25, 2021. However, the transcript did not include the numerous trial exhibits, which I had to order separately from recordkeeper at the circuit court. This took some time longer, and I received those exhibits on September 14, 2021.

Would you kindly advise as to the date that the initial brief is due? My hope is that the timeline would be calculated from September 14, as the trial transcript was not complete without the exhibits. I do not think the rules address this scenario, and I have never encountered it before.

I appreciate your guidance and am glad to answer any questions that you may have. With kind regards, I am,

Yours very truly,
