

The Supreme Court of South Carolina

Clarence Robinson, Petitioner,

v.

State of South Carolina, Respondent.

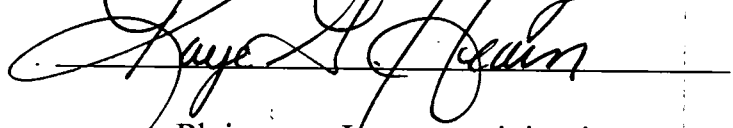

Appellate Case No. 2011-182548

ORDER

Petitioner seeks a writ of certiorari from an order granting him a belated review of his direct appeal issue and denying his application for post-conviction relief (PCR). Because there is sufficient evidence to support the PCR judge's finding that petitioner did not knowingly and intelligently waive his right to a direct appeal, we grant the petition for a writ of certiorari, dispense with further briefing, and affirm the order of the PCR judge granting petitioner a belated a review of his direct appeal issues pursuant to *Davis v. State*, 288 S.C. 290, 342 S.E.2d 60 (1986).

This case shall be set for oral argument. The parties shall file the additional copies of their briefs and the Appendix as required by Rule 211(a), SCACR. The parties will be notified of the date of the argument.
