Re: State v. George Cleveland III; Appellate Case. No. 2021-000564; Petition for Writ of Certiorari, Proof of Service, and Appendix Filing

Dear Ms. Howard,

Can you please file the attached 6 copies of my Brief for my Petition for a Writ of Certiorari, one is unbound, and all have the blue cover pages, 2 copies of my Appendix; bounded on the left side, and one unbound, and proof of service?

Please be advised that my Petition, Appendix, and Proof of Service were all faxed on September 15, 2021, and the Proof of Service states that I mailed the originals to this court, and to the Respondent's Counsel of Record; however, I missed the 5 pm pick up time at the Seneca, S.C. post office on September 15, 2021 because I had to take my spouse to get a covid-19 test that took longer than expected, she has since tested positive for covid-19; therefore, my Proof of Service date has been changed to September 16, 2021 as the date I deposited this legal filings in the mail for this court, and to Respondent's Counsel of Record.

Respectfully Submitted,

s/
