Re: Carol Hall v. SCDLLR
Appellate Case No. 2021-000780

Dear Ms. Hall:

The Court is in receipt of your amended notice of appeal that is presumed to be in response to the Court's deficiency letter dated September 10, 2021. The deficiencies outlined in the Court's letter must be corrected in their entirety before this appeal can proceed. The deficiencies still outstanding are as follows:

- The notice of appeal is not accompanied by the order(s) and/or judgment(s) challenged on appeal.
- The content of your notice of appeal is not in compliance with Rule 203(e). Your notice of appeal must be substantially in the format shown by Form 1 in Appendix C to part II of the SCACR.
- A proof of service showing that a copy has been served on the Administrative Law Court has not been provided as required by Rule 203(d)(2), SCACR.

This is the Court's second request for these corrections and these corrections must be served and filed within ten (10) days from the date of this letter or your appeal will be dismissed.

Very truly yours,

Catherine J. Fanning, deputy
CLERK
