Re: Billy S. Tucker v. South Carolina
Appellate Case No. 2021-001023

Dear Mr. Tucker:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and each deficiency must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed:

- Since the circuit court determined that habeas corpus relief was improper in the circuit court because the issues could have been raised in a timely application under the Post-Conviction Relief Act, Rule 203(d)(1)(B)(vi), SCACR, requires a written explanation as to why this determination was improper. This explanation must contain sufficient facts, argument and citation to legal authority to show that there is an arguable basis for asserting that the determination by the circuit court was improper.
- You must provide proof of filing this notice of appeal with the clerk of the lower court.

Very truly yours,

Catherine J. Fanning, deputy
CLERK
