McCormick, SC 29835

Dear Mr. Lagroon:

I am responding to the letter you sent to the Court of Appeals dated March 20, 2013 and which you copied to South Carolina Court Administration. My office manages the court reporters; specifically Joy E. Holston and Maryann S. Nevers. It concerned me that you were indicating that you had not received a transcript in this matter from these court reporters. I checked both of their monthly reports which detail the transcript requests they have outstanding. I wanted to determine when the transcripts were due. When they were not found, I contacted Ms. Holston and Ms. Nevers. Each of them indicated that they had not received a transcript request from you.

If you would like to receive a transcript, please write to each of them individually at the addresses you provided on the copy of your letter to Court of Appeals. They will need to know the date, county, and presiding judge for each transcript you are requesting. I am confident that they will respond promptly to your request. If you have questions regarding court reporters or transcripts, do not hesitate to contact me directly. Thank you.

Sincerely,

Desiree R. Allen
Court Reporter Manager
