APPELLANTS MOTION FOR EMERGENCY ORDER OF PROTECTION

To The Court Of Appeals :

- (1) I, Shemuel Yisrael, the Appellant appearing pro se, do make motion to the court to consider signing the attached proposed. " Emergency Order Of Protection ", or one similar to it.
- (2) The Appellant has been unlawfully beaten by the States' law enforcement agencies on several occasions, witnesses are afraid to come forth. The cops never preserve a video of the initial point of contact because such a video would show their corrupt brutality!
- (3) Enclosed is a video of Yemassee Police Chief Gregory Alexander nearly killing me by forcing my vehicle into the oncoming traffic lanes. (See Exhibit # 1).
- (4) The cassette tape recording, exhibit # 2, clearly indicates, without a doubt, that Chief Alexander orders my vehicles impounded without any legal reason whatsoever. Please read transcript of the tape recording. (Transcript is marked as exhibit # 3).
- (5) The Appellant has paid much money to the towing companies and thousands of dollars to bail bondsmen for cases that were never intended to be tried. Over the last 21 years over 94 warrants were served, with over 25 being dismissed. Over 70, still pending.
- (6) Whatever just act the court can do at this time is urgently needed.

 against them, cause they are on the
 same lawsuits with y'all, ah they
 don't want to talk to me. And
 that they are not your attorneys right
 now.

Chief Who?

Yisrael They say that they are not your

1

Chief Okay. Mr. Yisrael I can't help you on that then.

2

3

Yisrael You are the one that violated me. You're

4

the one that told me out

5

of your own mouth that I could not

6

park my car in front of my own

7

house.

8

Chief But that is who you've got to talk

9

to Mr. Yisrael. You've got to talk

10

to our attorneys.

11

Yisrael Huh?

12

Chief You've got to talk to our attorneys.

13

Yisrael You said... but why?... That's

14

what I'm trying to find out.

15

What's the violation?

16

Chief Why do you have to talk to our

17

attorneys?

18

Yisrael Why do you keep put... saying my
car is abandoned when I park it
in front of my house you say I
cannot park it there. Why? What's
the problem? What's the problem?

Chief you have to... I can't give you
no statements on nothing I can't
talk about nothing like that with
a pending case Mr. Yisrael. You've
got to talk to our attorney's, and
you know that. You know the
law more than anybody else.

Yisrael I... I do know that the law is not
suspended because I have a lawsuit
You have to tell me why, what
violate, How am I violating the
law... and why you have it towed
away.

Chief You know that you're got a civil lawsuit against me. I cannot speak to you on that matter. So why you keep trying to force me to talk to you about something you know I can't talk to you about?

Yisrael	6	No, no, no, no. I have a separate
	7	complaint that I sent to Matthew
	8	Garnes. That talks about y'all
	9	putting all those tickets on me. The
	10	tickets are about something else, that
	11	happened in 2017.
Chief	12	How about SLED? Didn't you call
	13	SLED about this here?
Yisrael	14	Ah ok! They finally got in touch with
	15	you, huh?

Yisrael Hello it's Yisrael again. Your attorneys
 have not all responded to my calls.
 you told me to talk to them. I still
 need to know why my truck and cards

being impounded.

1

Garnes

I have no idea. You need to talk to the police department Yisrael.

2

3

Yisrael

I did. He was the one that told me that I can't park my car and my truck out in front of my own house.

4

5

6

Garnes

You're not staying at your house you haven't been at your house in months.

7

8

9

Yisrael

Wo, wo, wo, wo, wo! I hadn't been there as much because I won't let him catch it there. This happened last year I sent you a letter and gave...

10

11

12

13

Garnes

I do not know the answer to that question. I cannot...

14

15

Yisrael

Well... Aren't you responsible for what your police force does?

16

17

Garnes

I'm sorry?

18

Michael Arent you responsible for what
your police force does? 1 2

Garnes The police force answer to the Town
Council. 3 4

Michael So, ill... what I have to... I sent y'all
a letter, and I haven't gotten a letter
back from y'all yet... telling me what
the problem is. 5 6 7 8

Garnes Because I told you this will take
several months to look into. 9 10

Michael Months to look into? Ah, I'm only
talking about why my car keeps getting
a orange tag put on it. 11 12 13

Garnes Your car has not been towed in months. 14

Michael Huh? 15

Garnes Your car has not been towed in
months. 16 17

Michael I didn't say it was. This happened last 18

Michael year

1

Garnes You say it keeps getting towed

2

Michael Yeh.

3

Garnes Keeps is plural. That tells me that your

4

saying that it's continuing to be

5

towed.

6

Michael I don't want to experiment and come

7

there and leave my car in his presence

8

in front of my house, and then he tags

9

it. I didn't say he did it this year.

10

I gave you specific dates and you have

11

the copies

12

of the tags. That was last year and the

13

year before that.

14

Garnes 2018. This is 2019, you have not

15

occupied your residence this year.

16

Michael Umm, listen. I'm not talking

17

about this year. I'm talking about

18

last year. Why...

1

Garnes As I've told you the last six times

2

you've called we're looking

3

into the matter and as soon as we

4

have it addressed and I have come

5

to a conclusion regarding the complaint

6

that you have filed I will write

7

you via postal mail, certified return

8

receipt, with my finding. Until then

9

I have nothing.

10

Yisrael Well sir, you are aware of the constitution

11

that you are not suppose to seize a

12

vehicle without due process. And this

13

is what you'll...

14

Garnes I have not done any of that.

15

Yisrael The Town of Yemassee has done it...

16

which you represent.

17

18

Garnes	again, as I have stated, the police	1
	department answers to the Town Council,	2
	You need to talk to the attorney,	3
Yisrael	Ugh, they won't talk, they haven't	4
	talked to me. I called them on several	5
	occasions, they are not returning, my	6
	call, the calls. I need to find this	7
	out now before I bring	8
	my car and truck back, put it in	9
	the front and then there is another	10
	\$500.00, lost. I got to go around	11
	the corner and get my car out, or	12
	my truck out.	13
Garnes	I wouldn't recommend that you do that.	14
Yisrael	Well I need to park my car and truck	15
	somewhere.	16
Garnes	Well wherever it is now it's not being	17
	bothered.	18

Yisroel It's not, it's not convenient to me 1
where it is now. It's convenient 2
to me in front of my house. 3

Hannes Wherever it is now it does not seem 4
to be bothered. 5

Yisroel Well I don't have no problem 6
with where it 7
is now, but the problem is I 8
need it in front of my house. I 9
don't need it. 10

in front of my friends' house. 11

Hannes As I have stated before I am looking 12
into the complaint that you have 13
filed. Once I come to a conclusion you 14
will be notified in writing, by 15
certified mail, return receipt. 16

Yisroel Well, like I say..., I've lost a thousand 17
dollars last year and I've lost 18

Israel

fifth... ah, the year before that
I've lost maybe a thousand or
fifteen hundred dollars, from that
some company around there,
Beaufort Motor Sports, I feel
I, I'm being treated, umm...
this is not right. The only thing
they do is put the tag on my car
and your police chief told
me out of his mouth that I can't
park my car in front of my
house. And no matter what street
I park it on he says
I can't park my truck on that
street, on that street wherever it
is, or my car without no explanation.
That's against the law sir. But, I...

Hornee I can't continue this call, you
have an active suit against the
town. I will contact you
by postal mail.

Yisrael Well please do so as soon as
possible sir, cause I don't like,
I don't like calling you or
your attorneys about this issue.

Hornee I'm sure you're getting tired
of calling me multiple times
a day. As soon as I can and
finish my investigation, I will
let you know.

Yisrael Alright. Well see what happens.
Thanks for listening anyway.
Bye.
