Just saw this - hilarious - the next one on my desk is actually for you guys also, the riggins transcript due the 26th. I think these are all similar issues, but I can skip that one and go to Moore and then come back to it.

Sure, but it will be at an expedited rate. not sure exactly but it is 6.50 to 8.50 a page i think depending on overnight, three days, 7 days, something like that. Is that okay?  
I have not been able to find a typist to expedite but I think I have one that will and I just pass the extra charge on to her.

Dear Ms. Manley:

Good morning.

I hope this email finds you well.

I need to get a transcript of the July 23, 2021 Motions Hearing from 7/23/21 before Judge McIntosh. The hearing was in regards to the above-referenced matter. (C.A. No.: 2021-CP-04-00470)

Can you let me know how fast that we can get this back? It may be rather lengthy. We need it back as soon as possible.

If it will help you, we can try to arrange to have it transcribed from an outside reporting company.

If you can transcribe this in the next few days then please forward the invoice and I will have a check overnighted to you.

I look forward to hearing from you soon.

Thank you for your assistance with this matter.

With kindest regards,

Angie
