Re: State v. India Sowell, Appellate Case No. 2012-213675

Dear Mr Watson:

Our office originally requested the trial transcript dated August 16, 2013 of the above named case which we have received. However, we have discovered that we need additional transcript pages upon reviewing this transcript. This was a trial in absence. We have the trial and part of the sentencing hearing. We need a cover page indicating the date of the sentencing hearing and any additional pages which may be missing from the sentencing hearing, the judge's name and the names of the parties. We have attached page 102 of the transcript where you indicate there is a "reading of sealed sentence by Judge Burch". We need a different volume indicating this sentencing hearing was held before the Honorable Judge Burch and the date. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

LaNelle Cantey DuRant  
Appellate Defender
