Dear, Ms. Kitchings

I hope this letter finds you in Peace and Great Health. My reason for writing this letter requesting to see if you have any Petitions or Orders from my previous attorney Laura Baer requesting to withdrawal from my case before her resignation from the South Carolina Commission on Indigent Defense Office, which, under the South Carolina Appellate Court Rule 264, Substitution of Attorney's or Guardians. I would be required to be informed. An attorney of record in a matter pending before an appellate court may not withdraw from representation of his/her client without justifiable cause; or the consent of his/her client and then only after proper written notice to his/her client, on petition to and by written order of the appellate court, along with notice to the adverse party and to have the replacement Appellate Attorney Taylor Gilliam moved to be substituted as Petitioner's Counsel upon Ms. Baer's departure.

Please send me anything you may have on file pertaining to this issue on hand. Thank you for your time and assistance in this matter.

Respectfully,

SEP 20 2021
