Appellate Case 2020-001421

RECEIVED

SEP 24 2021

9-20-21 SC Court of Appeals

Dear Jenny Abbott Kitchings:

I appreciate you sending me 2 copies of my initial Brief that was included with the Record on Appeal I sent to the SC Court of Appeals to be filed. As I request in order to prepare my Record on Appeal unfortunately, according to your letter dated March 26, 2021 you returned my record to me stating my record on appeal will be done to served and filed within 30 days after service of the last brief per Rule 210 of the South Carolina Appellate Court Rules.

When you return my record, you only returned my initial Brief. When I sent my initial Brief in, I sent the record on appeal also and designation of matter to be included in the Record on appeal. In your March 26 2021 letter because I sent the record on appeal in too early, according to your letter you returned my record. I received the initial Brief. But you didn't include the record on appeal transcript and exhibits. I am requesting a copy of my record on appeal being the trial transcript p. 1 of 3

pages that I included in the designation of matters to be included in the record on appeal, that I apparently sent to court; that wasn't enclosed in the vanilla envelope you sent to me, with just my initial Brief in it:

My initial Brief was received by the S.C. Court of Appeals on March 19, 2021. I thought I had resent my record on Appeal that you ~~sent~~ received on March 19, 2021. and stated in your March 26, 2021 letter you're returning my record to me. I looked through all my records and couldn't locate or find my record on Appeal which included Trial transcript pages marked to support my argument for relief, nor the exhibits as evidence to support my argument for relief as well. I can't recall receiving the entire record on Appeal I sent to you that you received on March 19, 2021.

Please check your records concerning my case 2020-001421 and see if there is a record on Appeal already filed. If not, please send me the rest of my record on appeal, such as the trial transcript page and exhibits that I refer to in my initial Brief. I need this information - records to prepare the record on Appeal if there isn't one ~~that you~~ already filed. to ~~send to~~ prepare and send to the Respondent.

Respectfully Submitted by
Proze Applicant
