Dear Ms. Falin:

I hope this finds you doing well.

As you may recall, I filed a ***Motion for Extension of Time in which to File the Appellant's Initial Brief and Designation of Matters*** on 20 September 2021. In checking the docket today on the South Carolina Appellate Case Management System there is a listing, dated 22 September 2021, stating "Non-Dispositional Decision – Extension Granted (1st – Appellant's Brief)". When you click on the documents section, what appears is a filed copy of my original extension motion and the transmittal e-mail. While I am thankful that it appears the extension motion was granted, did the Court of Appeals issue an order or some other type of notification? I have not received anything.

Thank you.
