S.C. SUPREME COURT

Good Morning Ms. Howard, My name is Larry White. I currently have an appeal in the courts and I'm a bit confused. I've went to PCR Court on December 17, 2019. Assistant Attorney General Michael D. Davidson has filed 3 extensions to file an return to my petition for Writ of Certiorari, All of which states the same thing. I don't know if anyone is paying attention or not but I feel as if they are delaying my case. All filings are electronic so I am not getting any of these documents by mail but my lawyer told my family and I about the Case management system online so we can be up to date on all filings. Each time that the Assistant Attorney General has file an extension it states the following.

" Dear Ms. Howard:

Respondent's Return to Petition for writ of Certiorari in the above-referenced Post-conviction relief appeal is due to be served and filed on today's date. I am

respectfully requesting a first thirty-day extension to serve and file this return. This extension request is not intended for the purpose of delay. Rather, this extension request is necessitated by a heavy workload."

Now the problem comes in on this last extension which was filed yesterday on 9-20-21. It say first extension when really it is the third extension. Next problem comes in place when you take a look at the ~~second~~ extension. It was granted but the deadline was 9-3-21. They missed that deadline now 17 days later they request another ~~one~~<sup>one</sup> and it was granted. Each time an extension is granted, you have filed an order stating that any further extension request must be based on a showing of good cause. Yet he keeps stating the same reason. I feel as if he has enough time to keep filing these extensions then he could use that same time to file the return ~~for~~ my writ of certiorari. Don't you think as well?

I just figured it would be best to write.  
you seeing that you are the one granting  
the extensions. Could you please take an  
look into this matter before you grant  
another extension please? I'm just trying  
to exhaust all remedies. I have an 8 year  
old daughter that I've already missed a  
little more than 4 years of her life and  
I'm trying to get home to her. Please I  
beg that you take an look into this  
matter.

Respectfully

Larry

Anthony

White.

Also, my case No. is 2020-001607

Thanks and I hope you enjoy your  
day and ~~you~~<sup>May</sup> your family remain safe from  
Covid.
