Upstate Forever, South Carolina Native Plant Society,  
and South Carolina Wildlife Federation, Petitioners,

v.

South Carolina Department of Health and Environmental  
Control and Greenville Water System, Respondents.

Appellate Case No. 2012-213483

---

## ORDER

---

Respondents move the Court to dismiss or strike the amicus curiae brief filed by the Mountain Bridge Chapter of Trout Unlimited. The Mountain Bridge Chapter of Trout Unlimited has filed a return in opposition to the motion.

Meanwhile, following its submission of a return to the motion to dismiss or strike, but before respondents filed their reply, the Mountain Bridge Chapter of Trout Unlimited filed a "Reply of Amicus Curiae Trout Unlimited to Respondents' Joint Return [to the Petition for a Writ of Certiorari]."

By way of reply to the return to the motion to dismiss or strike, respondents note the filing of the reply brief and ask that it be stricken.

We hereby strike the amicus curiae brief. The Mountain Bridge Chapter of Trout Unlimited shall file a revised brief that does not contain Argument III or any attachments. Respondents' request to strike the amicus reply brief is denied.
