Dear Ms. Singleton:

We respectfully request an extension of up to 30 days from September 29, if needed, in which to file Appellants' Initial Brief and Designation of Matter. By my calculations, the extension would put these items due October 29, 2021.

I will send the \$50 filing fee for this request within five days hereof, along with a copy of this e-mail.

Please let me know if any more different form of application than this is required.

Best regards,

s/M. Baron Stanton

Ms. Singleton, we received the second of the two ordered transcripts on August 30, putting our brief and designation due September 29.

The court reporter did not get an extension and did not fail to deliver the transcript by the September 10 deadline.

Do you need anything further from me regarding the transcripts or need it in any form other than this e-mail?

Best,

Barry Stanton

I apologize for not having done so earlier.
