S.C. SUPREME COURT

Dear Mr. Alexander

Please be advised, that I rec'd some of my case files from your legal Assistant, Wimbley. Although, its not my whole case file as stated

Sir, what is missing, the letter from the Clerk of Ct. stating to the Assistant Atty Gen. White, that she (Clerk of Ct) did not file, couldn't find and didn't send the Judge a copy of my return to the Respondent's return to my 60 (b)/15 (b) motion - nor was my Ex. 5 forward to the Judge for review, in a timely manner if at all.

Also missing are my Ex. 5 A-C

Please note, your appendix does not show these matters as well. Thus please, please recheck your files because these matters are needed for my pro-se brief - please send right away

"to Clerk Shearouse"

Thank you

Sincerely

Personal file
