Re: Craig B. Stoneburner v. George Moluf, III  
Appellate Case No. 2021-000576

Dear Ms. Kitchings:

I represent the Appellants in the above referenced matter and respectfully request pursuant to Rule 263(b) SCACR that the court grant a 10-day extension to Appellant to file and serve Appellant's initial reply brief and possible designation of any additional matter which otherwise is due on Monday, October 4, 2021. The grounds for this motion are that Appellant Mr. Stoneburner's mother passed away recently, and he has been out of the office and unable to review and comment on Respondent's brief which was filed on September 24, 2021.

This is Appellant's first request for an extension as to the reply brief (2<sup>nd</sup> overall). I have consulted with opposing counsel who does not oppose this request.

If the court grants the extension, Appellant's reply brief and designation of any additional matter would be due on Thursday, October 14, 2021. I also enclose our firm check for \$50.00 for the filing fee. Please let me know if a formal motion for extension is required and I will promptly file.

Respectfully submitted,

Walter B. Todd, Jr.
