Re: Kenneth D. Christian v. Sew Eurodrive, Inc.
Appellate Case No. 2021-000669

Dear Counsel:

Pursuant to a phone call between respondents' counsel and a staff member of the Court, the designation of matter filed by the respondents was amended more than once due to clerical error. Respondent's confirmed that they would like to use the amended designation of matter that contains forty-four (44) designated items to be included in the record on appeal. The Court will not consider the initially filed designation of matter filed by the respondents.

Very truly yours,

V. Claire Allen
