MOTION FOR THIRTY-DAY EXTENSION TO FILE INITIAL BRIEF

---

The appellant received the trial transcript on March 12, 2013 and hereby requests a thirty-day extension to file their initial brief and designation of contents of record on appeal. This motion is based on the grounds that the parties have entered into settlement discussions, which may resolve the issues involved in the above appeal. Opposing counsel for the Respondent has consented to this extension by email dated March 29, 2013. The appellant respectfully submits that the interests of judicial economy justify allowing the parties an additional thirty days to determine if the on-going settlement negotiations can lead to a resolution of the pending case.
