NOW INTO COURT, come the Appellant, who moves this Honorable Court for an Order permitting the Appellant to file the Record on Appeal and Certificate of Service out of time, and for an extension of time to file the Record on Appeal and Certificate of Service, for the following reason, to wit:

As an initial matter, counsel served a copy of the Record on Appeal on opposing counsel on August 3, 2021. (See separately-filed Certificate of Service.) Subsequently, counsel's printer, Legal Eagle, mailed to the S.C. Court of Appeals the hard copy of the Record on Appeal on September 16, 2021. However, counsel neglected to provide sufficient documentation to this Court of such events. The Appellant respectfully requests that this Honorable Court will accept the filings of the Certificate of Service and electronic copy of the Record on Appeal, filed concurrently with this motion, and permit the Appellant to file the documents out of time.

WHEREFORE, the Appellant prays that this Honorable Court will permit the Appellant to file the Record on Appeal and Certificate of Service in the above titled matter out of time.

Respectfully Submitted,

s/Scarlet B. Moore
