Re: Mathes Auto Sales v. Dixon Automotive
Appellate Case No. 2019-000297

Dear Mesdames:

Thank you for your letter dated October 11, 2021, concerning potential oral argument scheduling for February 2022, and your request for notice of potential conflicts.

I have lab work scheduled for February 10, 2022, and an appointment with my internist on February 17, 2022. Since these appointments were scheduled on August 10, 2021, I would prefer not to cancel them, especially since it is still not clear if an oral argument will be scheduled or not.

Please let me know if I can provide any further information.

Sincerely,

J. Gregory Studemeyer
