You did not email me anything on September 16, 2021. I have our email chain here which consists of you falsely claiming I owe money, my repeatedly asking why you're saying that and confirmation that I've paid in full, and you ignoring me for weeks. Even your documentation shows that you only sent an email to my opposition about info pertinent to me. My emails went unanswered...

Why are you aiding in the sabotage of my case? Are you being paid to aid in the sabotage of my case? On whose behalf are you sabotaging my case?

Why have you lied to me about payment? Who are you helping?

Why have you lied to me about emailing me? Why didn't you reply to my numerous emails?

Why did you send info I need for my case to my opposition and not cc me in? Who are you helping? Were you paid?

Why are you giving my opposition preferential treatment? How many pieces of info have you sent only to my opposition?

Why have you only responded to my emails after the 10 days have elapsed?

What documentation do I need to provide next? When may I send in my data?
