**In re: Ortagus Bennett v. Greenville Hospital System Appellate Case No.**  
**2021-000770**

Dear Madame Deputy Clerk,

I am in receipt of the Court's correspondence of August 30, 2021 requesting confirmation as to the status of my representation of Mr. Ortagus Bennett in the above encaptioned matter. Please note that Mr. Bennett retained me for purposes of defending against pending motions to dismiss in each of the referenced matters. I advised Mr. Bennett as to the time limitations applicable to filing an appeal in the Court of Appeals upon receipt of written notification of entry of the relevant orders. However, Mr. Bennett declined to retain me to file an appeal on his behalf, electing instead to proceed pro se. As such, I did not participate in the preparation of the filings currently pending before the Court.

Please feel free to contact me directly should you require any additional information concerning this matter.

Sincerely,

Adrienne L. Turner, Esq
