Re: JAMES A. Giles V. state

Appellate Case NO. 2020-000333

Dear, Ms. Hitchings

ON JUNE 1, 2021, Your office sent My Counsel of record Mr. James Kristian Falk, Esquire, a letter AND a Motion to relieve Counsel from Your client. Within ten (10) to file a response to this Motion, ... And on June 29 2020 Your office sent Mr. James Kristian Falk, Esquire a send letter stated the exact same thing as Your first letter ... I respond to both of letters requesting for a copy of that Motion dated to relieve Counsel from Your client,

but Your office did not respond back to Neither one of My letter. And since Then I have wrote Mr. Falk several letters about the Matter, like always, I did not get a response back from Mr. Falk

So on Oct 6, 2021 I am Writing Your office a third letter requesting to know the following information

• I am requesting to know? ... have Mr. Falk respond back to Your Motion to relieve Counsel from Your client. if so please tell me the status of this matter

• I am requesting to know? ... is Mr. Falk still my Attorney of record if not will you please order, Mr. Falk to send me my entire file;

• Also if Mr. Falk are not my Attorney anymore, then please tell me when are the court going to point me another Attorney, ... because I have been incarcerated for fifteen (15) years, and I am only on my second stage of my first Post-Conviction Relief Application and that is absurd, contrary to justice,

• because I only have twenty (20) months left before I max-out my twenty (20) year sentence ... so therefore I will not be able to exhaust all of my lower court remedy ... so the South Carolina Court have violated, my fourteenth Amendment, due process and equal protection of law,

And if Mr. Falk is not my Attorney anymore, then I would like to motion the court for recognizance or bail pending appeal ...

So please let me know, is that possible, please respond back to this letter because I really do need to know the status of this matter.

Thanks

James A. Giles
