Good Afternoon,

Please find attached for filing in the above-referenced appeal: (1) Respondents' Redacted Initial Brief, (2) Respondents' Unredacted Initial Brief, (3) Respondents' Designation of Matter, and (4) Proof of Service.

Pursuant to the Court's September 23, 2021 Order finding that redaction "affords adequate protection to the parties in this appeal," we have redacted limited portions of our brief. We would ask that the redacted initial brief be made available for public view on C-Track.

We have also attached an unredacted brief with the redactions highlighted in yellow so that the Court is able to easily tell what we have redacted. We request that this version not be made available to the public.

Thank you,
Shanon
