SC Court of Appeals

Subject: Tara Gurry v. Myrtle Beach Dermatology - 2018-CP-250-05438 - DOH June 28, 2021

From: Richardson, Kay H. Date: Thu, Aug 5, 2021 at 2:50 PM To: Tara Ann <photo7721@gmail.com>

Ms. Gurry,

I will need for you to fill out the request form attached and return to me.

I have estimated the cost for the transcript to be \$259.25.

Pursuant to Rule 607, the total amount indicated above is due for the transcript you have requested. Upon receipt of the amount due, your transcript request will be placed in line for production. If at the time of delivery there is a difference in the quoted total amount due, the remaining balance due or to be refunded will be settled. Under the South Carolina Court Rules, a court reporter has 60 days from the date of request to complete the transcript. In this instance, the 60-day period will be determined based on the date the total amount due has been received. You will be notified, if any extensions are approved by Court Administration beyond 60 days.

Please do not hesitate to contact me if you have any questions in this matter.

Ms. Gurry,

There is no attachment to your latest email.

The bottom portion is for my purposes only and you will not need to worry about that.

Understand, my 60 days to prepare the transcript does not begin until I receive the payment from you and you will need to copy the Court on that correspondence.

I do not know where to send payment. I live in North Myrtle Beach and I bank with South State Bank, may I send you a personal check?

I need to submit proof that I requested the transcript from you to the Appellate court I assume this will suffice with a note I mailed you payment.
