RE: Rachel J. Turner v. Medustrial Healthcare Staffing Service and Condustrual, Inc.
WCC File No.: 1514359

Dear Ms. Burns:

Pursuant to the Court's Order, I am providing the Court with an update regarding the disposition of the Appellant's Motion to Submit Additional and Newly Discovered Evidence to the Workers' Compensation Commission.

The Court issued the attached Order denying the Motion on September 20, 2021. The Commission's Order completes the purpose of the partial remand. As such, the record is now complete and ready to be briefed. I would therefore request that the Court issue a briefing schedule to the parties.

Additionally, I wish to advise the Court that I recently underwent eye surgery (corneal transplant) which may require additional time for briefing as I am limited in how much time I can spend viewing a computer screen. I will advise the Court and file the appropriate motions should this condition prevent me from completing the brief within the standard deadlines.

Thank you for your assistance. Please let me know if you need additional information.

With kindest regards, I am

Respectfully,

Stephen B. Samuels
