In response to the Court's letter of deficiency I attached an Amended Certificate of Service. I also ask that the Initial Brief filed yesterday be withdrawn and allow me to file the attached Amended Initial Brief.

In reviewing my brief this afternoon, I noticed that when I compiled the sections of the brief in Acrobat, the Statement of the Issues on Appeal and Statement of the case were in the wrong order. I corrected the mistake and have attached an amended brief with the Statement of Issues on Appeal, Statement of the Case, and the Argument are in the proper order.
