All,

I apologize in advance for the confusion. My legal assistant noticed an error in the joint appendix index this morning when she went to send it to Mr. Alexander. He was sent the corrected version and I just filed it on OneDrive.

Thank you!

Ms. Meadows previously sent me the Appendix and I had no problems getting it, so I have certainly been served with it.

I thought I would be able to email the Joint Appendix, but it turns out the file is too big. Therefore, I filed it via OneDrive. Please let me know if I need to revise the certificate of service or take any further action.

Best,

Lilly Meadows
