Hello Dr. Faltas,

I received your voicemail and checked into things. Mr. Elders is currently in the Lexington Co. detention center and is listed as pre-trial status. He is awaiting a bond hearing. Based on my experience the solicitor will have to refile the charges to get them properly displayed on the public index. He will be assigned a PD or he will hire private counsel – that is his choice. At this point in time this office has done everything it can for him. I know you have concerns over him and his treatment but we have to focus our efforts on individuals who have pending appeals. Mr. Elders is where he needs to be – what happens next is out of our hands.

I have an appointment at 2p and will likely not be back in the office today.

Regards,

Jessica M. Saxon
