Under SC 17-30-30, is law that permit the Petitioner to record the event dated for 7/26/2019--Dr. David Mitchell office visit. Since, the 04-12-2019 office visit with the unauthorized, PA, William Sean Irving was not properly documented to list the injuries sustained. In order, for the Petitioner to protect herself and her interest. 07/26/2019 was recorded. The Petitioner and her husband was not abusive to Dr. David Mitchell in anyway.
