SC COURT OF APPEALS

RE: The State v.
Respondent v. Randall E. Latimer Case No.

Dear Mr. Richstad [Mr. Shearouse]:

Enclosed for filing is a notice of appeal in the above case.

The Appellate has explained the situation with his case number to the Clerk in the Lower Court. The Appellate's PCR Application had the Name (Michael Evans) on the cover giving him the appellate's case number. Can you please check in to this matter. The appellate is on lock-up on PC in fear of his life due to various threats and has been denied his legal materials.

Also enclosed are the following:

- (1) Proof of service of the notice of appeal on the respondent[s]
- (2) A copy of the order[s] judgment[s] which is [are] to be challenged on appeal.
- (3) This appeal is being filed with the Supreme Court because...
(See Rule 203(d) for when an appeal can be filed with the Supreme Court.)

(EXPLANATION REQUIRED)

If the Lower Court has determined that the Post-Conviction relief action is barred as successive or being untimely under the statute of limitations The petitioner must at the time the notice of appeal is filed provide an explanation as to why this determination is improper. This explanation must contain sufficient facts, argument and citation to legal authority to show that there is an arguable basis for asserting that the determination by the lower court was improper. If the petitioner fails to make a sufficient showing the notice of appeal may be dismissed.

(DETERMINATION BY THE LOWER COURT/IMPROPER)

The determination of the lower court is improper because the trial court did not have Subject Matter Jurisdiction to convict or sentence or revoke the Appellates parole, nor did Judge Larry R. Patterson or Judge John C. Few have jurisdiction over my PCR or Habeas Corpus cases.

The Petitioner has discovered that Greenville/Pickens Counties have been processing their PCR and Habeas Corpus case by fraudulent means.

The PCR Application I filed was returned with another person's name on the front cover (Michael Evans) (The only Michael Evans I know is on Good Times) They gave Michael Evans my case number.

The Habeas Corpus Petition I filed on January 15, 2009 in the Court of Common Pleas was dismissed without the signature of Judge Larry R. Patterson who's term was (1991-2003).

In the signature block they referred to Judge Patterson as Chief Administrative Judge when he is also a Family Court Judge for the Thirteenth Judicial Circuit Court. On May 9, 2009 the Respondents returned a motion dismissing the Petition claiming the petition failed to support the requested relief. On July 22, 2009, the Assistant Attorney General Karen C. Rattigan re-submitted the case to Judge Few.

Here's the letter she sent me addressed to Judge Few. Dear Judge Few it has come to my attention that Judge Patterson did not have time to sign several dismissals in various PCR and/or Habeas Corpus cases before his retirement. Therefore, I am enclosing copies of the dismissals for your review. The only change I made on the dismissals sent to Judge Patterson was to update your name in the signature block. I am advising the Applicant's by this letter only of the re-submission of the cases to Judge Few.

If you have any questions please let me know.

Argument

The Fifth (5th) Amendment Clause prohibits a second prosecution twice for the same case after a dismissal. In the other 8 case she claim^{she} submitted to Judge Patterson ~~were all 2008 cases~~ in 2009 were all 2008 cases. She also changed the May 9, 2009 date of the submission to May 12, 2009. After conducting a background check on Judge John C. Few in the State Supreme Court it was revealed that he is a Court of Appeals Judge. Therefore, the Assistant Attorney General Karen C. Ratiqan committed serious crimes which includes Fraud, misrepresentation and a violation of my 5th Amendment rights.
Patterson, Larry R. (choppy (1991-2003) Judge of Thirteenth Judicial Circuit Court.
Few, John C. (2000-2006) Judge of Thirteenth Judicial Circuit Court.

NO INDICTMENT BY GRAND JURY BEFORE TRIAL
