Re: Terence L. Rush v. Michael B. Stribble
Appellate Case No. 2021-000817

Dear Mr. Rush:

We received your record on appeal dated September 24, 2021. According to our records, we currently are in the initial briefing phase of this appeal. Therefore, the filing of the record on appeal is premature and we are returning it to you.

Furthermore, you have failed to correct the deficiencies in your motion to order the transcript out of time and motion for extension of time to serve and file the appellant's initial brief and designation of matter as required by this Court's letters dated September 20, 2021 and September 30, 2021. Within ten (10) days from the date of this letter, you must cure the deficiencies for both motions. Failure to cure the deficiencies within ten (10) days from the date of this letter will result in the dismissal of this appeal. A copy of the deficiency letters issued regarding the motion to order the transcript out of time and motion for extension of time to serve and file the appellant's initial brief and designation of matter have been enclosed for your convenience.

Very truly yours,

V. Claire Allen
