I don't check my home address mail box every day as I use a PO Box. When I checked my mail box on October 30, 2021, I saw the Court of Appeals letter requesting 6 additional copies of the Record, which is 165 pages and my final brief, which will be over \$100.00. I have been trying to put this together without asking for an extension, but I after paying my bills last week I do not have enough money to finish this project today. And it is due to be post marked today.

I respect the court's deadlines and I realize the seriousness of this delay. And I have the final brief that I believe that the court can understand, that will not present any deficiencies. I am anxious to get this to the court so that we can hear from this honorable court, soon, as to its decision on this appeal.

I have requested other extensions, to provide the court with 1 unbound copy of the record and due to illness. Now we are talking about 6 bound copies and I need an extension, so that I can mail this on my pay day, which is 2 days from now, November 11, 2021.

Thank you for your consideration in this matter. I am forwarding a money order in the amount of \$50.00, for the filing fee associated with this request.

Respectfully submitted
