RE: BABCOCK LLC, &
Joseph K Coffey, Jr., Esq., legal Representative of Donna Erickson v. Felicia
Ruff Appellant, Case No. 2021-001159

Dear Ms. Howard:

Enclosed for filing is a notice of Response to the Respondent's answer for Appellant's Writ of Certiorari in the above case. Also enclosed are the following:

- (1) Proof of service of the notice of the response on the respondent[s].
- (2) Note to the Clerk of the Supreme Court of Appeals [cover letter]

Appellant finds the lawful need to respond to the Respondent's answer to The Writ of Certiorari filed in reference to the above case. To start the conversation, the legal representation of the Respondent seems to be lacking; not only exact dates referencing vital instances and information, but honest truth. For the first time during this entire case, has the legal team of BABCOCK LLC. corresponded with the Appellant via email. It is also rare there is correspondence via mail, for some reason or another. As stated by the opposing party, this case has been before the Courts for some years now. However BABCOCK LLC, isn't two years the Respondent's legal team. They're "information" is incorrect, and their true "knowledge" of this case is personal speculation, solely based on the Respondent's opinion. However, the facts of this matter is, a satisfied contract of sale. And that's not speculation. Nor is it speculation that Joseph K Coffey, Jr., renounced his involvement as Legal Representative, immediately after the filing of an initial appeal [by the Appellant]. As *pro SE*, Appellant believes in the Supreme Court Justice system. It is not for use of bullying, shaming or robbery of one's rights or dignity. It is a platform of Liberty and Justice for all. With trust, the Appellant is replying to the Respondent's answer to the Writ of Certiorari.

Sincerely,
s/ Felicia Ruff
