Park Regency v R&D Development  
Appellate Case No 2011-187167

Dear Ms Allen

Thank you for your June 6 2012 letters concerning the above-referenced matters I understand that each of these cases may be scheduled for oral argument during the September 10 13, 2012 term of the Court of Appeals If possible, I request that these cases not be scheduled for oral argument on Monday, September 10<sup>th</sup> or Tuesday, September 11<sup>th</sup> I have a case scheduled for trial during the September 4<sup>th</sup> term of court in York County, which I expect to be reached I will need some time following that trial to prepare for oral argument Also, I request that these cases not be scheduled for argument back-to-back with one another I do not object to both cases being scheduled for argument on the same day, as long as I have some time to prepare between arguments

Please let me know if you need any additional information

Sincerely,

*W Keith Martens*
