SC Court of Appeals

STATE OF SOUTH CAROLINA
IN THE COURT OF APPEALS

Appeal from Newberry County
Honorable Donald B. Hocker, Circuit Court Judge
Appellate Case No. 2020-001600

THE STATE,

Respondent,

vs.

RICKY BERNARD BROWN,

Appellant.

**MOTION FOR FOURTH EXTENSION OF TIME WITHIN WHICH
TO SERVE AND FILE INITIAL BRIEF OF RESPONDENT
AND DESIGNATION OF MATTER**

Respondent (“the State”), through its undersigned counsel, would respectfully show unto the Court as follows:

I.

The Initial Brief of Respondent and Designation of Matter are due to be served and filed on November 17, 2021.

II.

Pursuant to RE: Extension Requests in Criminal Direct Appeals and Post-Conviction Relief Certiorari Proceedings: Order of the South Carolina Supreme Court dated March 18, 2009, the State moves for a **fourth** extension in the above-referenced criminal appeal and asks for an additional thirty days to complete the brief in this case. On Wednesday of last week, the undersigned counsel participated in oral argument at the Court of Appeals in State v. Isaiah

Gadson, Jr., which required more preparation than normal due to the fact undersigned counsel was not assigned to the matter until the oral argument stage of the appeal. Along with that and other responsibilities in the office, the undersigned counsel has submitted a Brief of Respondent to the Supreme Court in State v. Sidney Moorer and has submitted a Return to Petition for Writ of Certiorari to the Supreme Court in State v. Robert Lee Miller, III.

III.

The undersigned counsel submits this extension request is supported by extraordinary circumstances and is not intended for purposes of delay. The Brief in the above-referenced case has required significant research because the case involves an important issue regarding the trial judge's charging decisions concerning insanity and guilty but mentally ill. The undersigned counsel is currently working on the Brief in this case and intends to have it finished in a timely manner. However, the undersigned counsel has not yet been able to finish the Brief. Accordingly, in order to ensure the Brief is properly researched and prepared, I would therefore request an additional extension of time within which to serve and file the Brief.

IV.

Before filing this extension request, the State has consulted with counsel for Appellant about the matter, and counsel for Appellant has graciously indicated he does not oppose the State's request for an additional extension.

WHEREFORE, Respondent prays that the Court extend the deadline for the service and filing of the Initial Brief of Respondent and Designation of Matter in this case for thirty days from the date such relief is granted; hold the matter in abeyance pending a ruling on Respondent's motion; and grant such other and further relief as the Court may deem just and proper.

Respectfully submitted,

ALAN WILSON
Attorney General
