Dear Ms. Howard,

I'm writing in response to Mr. Frawley's motion for an extension to file the cert petition. We have no objection and believe that this warrants extraordinary circumstances. We further request that the Court waive the 20 day rule-- for total days allowed for all extensions at the Supreme Court— so that Mr. Frawley can receive the full request of 28 days and be allowed an additional extension, if needed in the future, so that he has not exhausted the Supreme Court's limit in this request.

Thanks,

Whitney
