RE: Appeal and Motion To Late Acceptance

To Whom it may concern,

I'm requesting that the court grant me the motion of the late acceptance. The facility have been on lock-down for the past week. And that made it a little more difficult to get things done on my own. I've been working to do the law work myself with little help here and there I don't have an attorney and its been an very challenging task for me to do even what I've done as of the law work and material you're now receiving. Therefore please take this letter in consideration & please grant the late acceptance of my appeal.

Thanks & Sincerely

B. J. McFadden
