**RE: Charles R. Norris, Respondent V. Joe Clemons, Appellant
Appellate Case No. 2021-001183**

Dear Ms. Kitchings (Ms. Howard)

Enclosed for filing is a motion of request, asking the court of appeal to please consider listening to the audio recording of the trial that was on August 23 & 24, 2021, which is what this appeal is all about. My request and concerns for the appellate court to listen to the audio recording of that trial, is because Mr. Norris or someone has been changing and altering transcripts from the outset of this case. We have had a total of ten dispositions and hearings, and eight out of ten were altered, the two that were not altered, was because I told Mr. Norris that I was recording them. In my conclusion, because of the history of this case, I have no confident or reassurance that the transcript from August 23 & 24 2021, will be accurate and to give the appellate court the best and only way to know exactly what took place in that courtroom is to listen to the audio recording which is the goal and purpose of the audio recording for accuracy.

Thank you, Ms Kitchings,

Joe Clemons Pro Se Litigant/Apologist for Appellant
