**Subject:** Plea to The Court in Humbleness and Humility to Conclude this matter Case # 2020000853

**Dear Your Honor,**

**I, Kelvin Wayne Crosby beneficiary of the estate of my deceased mother, Annie Mae Crosby that this Petition to the SC Court of Appeals by Petition of Redress of Grievances for an end to this matter, once and for all. To end this fiasco of the Rule of law! That is all it is a thousand pages if not more of twisting of words.**

**With due respect I ask that this case # 2020000853 be expediently settled once and for all to end this insanity and delays by an Appellant's attorney that drags out this case in it's entirety. He has proven to me that his actions justify my regards in this matter.**

**My brother is dying of terminal cancer, should see this conclusion and to delay this**

**case enables one less Respondent voice in this case. It matters nothing to him, the Appellant's attorney but he addresses through delays to the Court his own mother's passing. Why then can't I ask that this matter be concluded as a Respondent? Where is the sympathy for a dying sibling of my family?**

**I see the unfairness of greed and dishonesty by the Appellant and her relentless prolonging this matter through Appeals for five long awful years, helped to end my 25 year marriage due to the mental stress and anguish inflicted me, harmed me financially my own rightful entitlement, harmed my children's mental well- being and is a total disgrace to even be brought to this Court of Law...**

**I ask for speedily justice and a decision of truth and honor by the Court.**

**I plea the SC Court of Appeals by Petition as a rightful legal beneficiary...**

**Sincerely,**

**Kelvin W Crosby**
