***** EXTERNAL EMAIL:** This email originated from outside the organization. Please exercise caution before clicking any links or opening attachments. *******

Good afternoon:

The Appellant's initial brief is not compliant with the Appellate Court rules in that it lacks a separate title page, tables of contents and authorities and citations to the record. Also, Appellant has apparently failed to serve and file a designation of matter for the record. Does the Court plan to address this matter with Appellant or would the Court prefer that I address it via an appropriate motion such as a motion to strike?

Respectfully,

Emory Smith
Counsel for Respondent

J. Emory Smith, Jr.
Deputy Solicitor General
Office of the Attorney General
