Re: Nancy Morris v. South Carolina Insurance Reserve Fund  
Appellate Case No. 2021-000502

Dear Counsel:

The Court is in receipt of electronic and bound copies of the appellant's initial brief and reply brief in final form as well as the record on appeal filed on October 27, 2021. Pursuant to a phone call between you and a staff member of the Court, there is no other matter to be included in the record on appeal upon the filing of the appellant's reply brief. In addition, you have informed the Court that the appellant's initial brief filed July 01, 2021 and initial brief filed again on October 27, 2021 contain no amendments except to include references to the record on appeal. Pursuant to Rule 211, SCACR, within twenty (20) days after the service of the Record on Appeal, each party shall serve a copy of his final brief(s) on every other party to the appeal. Accordingly, the Court will construe the electronic and bound copies of the appellant's briefs filed on October 27, 2021 as initial briefs. The record on appeal will be accepted as served and filed. Enclosed is additional correspondence regarding the record on appeal and final briefing.

Very truly yours,

*V. Claire Allen*
